

2023 South Sevier Junior Football

South Sevier Junior Football is a traveling competitive league for grades 5th – 8th. Currently we have two team rosters, 5th&6th and 7th&8th. We compete with other schools with the same rosters that also belong to the Central Utah Football League (CUFL). The season will begin July 25th with an acclimation week of no pads, the following week we will hand out pads July 31st. Coaches will contact you for specific times and locations of practices. We anticipate games to be Saturday Mornings and daily practices Monday through Wednesday with walk through practice on Thursdays depending on the High School Game Schedule.

Pay to play is \$150 to use a program jersey or \$200 for a jersey with the players last name that they can keep. If the cost is a burden, we are willing to work with players to accommodate. The funds raised are used to buy and maintain pads, pants and helmets as well as field equipment. It also pays our dues to the CUFL and for the referees for our games. Coaches are entirely volunteer and we appreciate their time and dedication to the program. We are also looking for coaches willing to dedicate time to help further the program and encourage the youth. We also need volunteers to help with chains and the scoreboard during home games.

Please sign that you received the concussion policy below and review the policy. Player's safety is our #1 priority. For Questions, contact the program administrator Douglas Monroe 435-201-4703 or Doug@dkmonroe.com

Players Name : _____ Grade (Aug 2023): _____

Years of full contact football experience: _____ Position(s): _____
